Gemini Season Guided Journal

Blessings Dear One,

Welcome to your GEMINI SEASON GUIDED JOURNAL!

- As you embark on this sacred journey combining the art of journaling with a powerful tool of manifestation, envision yourself guided by my primary guide and teacher, the benevolent Archangel Ariel, the angel of *prosperity* and *abundance*, whose wisdom has illuminated my path long before we created our ANGEL MOON ALCHEMY MANIFESTING TEACHINGS.

Sweet One, breathe deeply and allow these words from our teachings to resonate within your soul: **"You cannot create nor manifest anything not in vibrational alignment with yourself."**

But there is more, My Love!

Within each tenderly crafted prompt of our journal resides the energetic essence of this celestial season, infused with the vibrancy of Gemini's influence. I offer to you not only *alignment*, but an invitation to *integrate* these cosmic energies into your very being!

Envision the sacred dance of journaling as an invitation, Dear One, a gentle call to unite with the essence of your Soul Heart, merging seamlessly with the entirety of your divine being. Let each prompt within this GEMINI SEASON GUIDED JOURNAL, guide you to *attune*, *align*, and *integrate* with the current cosmic energies. Oh, My Darling Heart, the power within that integration is boundless!

Gemini Season Guided Journal

Dear Heart, how and when you use your journal is totally up to you, though I invite you to use these pages for soul exploration *every* day! How and when? Many of my students and clients enjoy setting aside time each day to take their journals to a special place where they will not be disturbed. Others light a candle and take a few deep breaths before beginning. Some enjoy journaling while sipping their morning coffee. Still others journal before getting out of bed in the morning.

Sweet One, in the sacred practice of journaling, there is no right or wrong, only the call to authenticity resonating deep within your magnificent heart!

This is *your* time and this journal is *your very own place* to dance with your soul in this season's energy! I like to think of your GEMINI SEASON GUIDED JOURNAL as a gift you are giving to yourself! Take your time and savor each moment you spend on your day's entry!
