### ANGELS FOR THIS NEW MOON

#### ANGEL CODE

#### ANGEL CODE 5 | GATEWAY TO THE ANGELIC REALM

This Angel Code activates your connection to the angels through the Angelic Triangle.

#### ARCHANGEL ARIEL'S MESSAGE

Dear one, you are always connected to the angelic realm. From the very beginning of all your beginnings you have had angels by your side. They are here for guidance and to share truths. Your angels cannot participate in your life without an invitation. Ask your angels to play with you... to partner with you... to offer guidance... to share truths.

Just as we do here with Little One, who you know as Beloved

Yes, you are invited here to deepen your relationship with your angels. Nurture your relationship with your angels the way you nurture your relationship with your best friend. Do you call your best friend to chat or visit ... sharing the happenings of your life ... asking for advice or opinions when needed?

Would you miss your friend if time was long between visits? And yet when once again you meet, is it not as though no time has elapsed? Do you know each other so well that the passage of time makes no difference? And yet, Dear One, does it not make your life sweeter, more fragrant, more delicious to have long chats, share secrets, and enjoy tea together? This is how it is with your angels. We are ever present, and your angels know you can get busy with life in the third dimension and sometimes you might forget to invite your angels. Dear One, life is so much sweeter and more fragrant when you have long chats, share secrets and enjoy life in the company of angels!

Each morning when you awaken from slumber invite your angels to play with you!

#### AFFIRMATION “

I AM surrounded by Angels. Angels are waiting for my invitation to join me as partners, playmates and guides. All I have to do is ask!

#### ANGEL FOR THIS MOON: ARCHANGEL URIEL
