Guided Journal

June 20 - July 21**

# Cancer Season Guided Journal

Blessings Dear One,

Welcome to your CANCER SEASON GUIDED JOURNAL!

As you embark on this sacred journey combining the art of journaling with a powerful tool of manifestation, envision yourself guided by my primary guide and teacher, Archangel Ariel, the angel of *prosperity* and *abundance*, whose wisdom has illuminated my path long before we created our ANGEL MOON ALCHEMY and the ANGEL MOON ALCHEMY MANIFESTING TEACHINGS.

Sweet One, breathe deeply and allow these words from our teachings to resonate within your soul: **"You cannot create nor manifest anything not in vibrational alignment with yourself."**

But there is more, My Love!

Within each tenderly crafted prompt of our journal resides the energetic essence of this celestial season, infused with the heart of Cancer's influence. I offer to you not only *alignment*, but an invitation to *integrate* these cosmic energies into your very being!

Envision the sacred dance of journaling as an invitation, Dear One, a gentle call to unite with the essence of your Soul Heart, merging seamlessly with the entirety of your divine being. Let each prompt within this CANCER SEASON GUIDED JOURNAL, guide you to *attune*, *align*, and *integrate* with the current cosmic energies. Oh, My Darling Heart, the power within that integration is boundless!

## How to Use Your Cancer Season Guided Journal!

Each of the 12 seasons of the zodiac brings its own unique flavor. As you move through your CANCER SEASON GUIDED JOURNAL, each prompt invites you to explore your magnificent self through the nurturing heart qualities of CANCER!

Through this powerful journal, I invite you to embark on a journey of self-discovery and emotional integration. Dear Heart, within the nurturing heart of Cancer lies the magic of profound introspection and emotional depth. What facets of your emotional world have yet to be uncovered? What stories lie waiting in the gentle whispers of your heart? Embrace the kaleidoscope of your emotions and dance with your shadows and light as one.

In the symphony of your thoughts, find the harmony that resonates with your true essence, for in Cancer's sensitivity lies the power to embrace all facets of your being. What melodies of the soul stir within you? What tales yearn to be told through the language of your heart? Let your creativity flow like the gentle waves of the ocean, weaving a tapestry of infinite emotional expression.

Reflect on the myriad paths that diverge before you, Dear One, for in Cancer's intuition lies the key to deeply personal possibilities. What new horizons beckon your tender spirit? What emotional adventures await just beyond the bend? Embrace the currents of change with open arms, and let your heart soar on the wings of compassion and nurturing curiosity!

# Cancer Season *Guided Journal*

Dear Heart, how and when you use your journal is totally up to you, though I invite you to use these pages for soul exploration *every day!* How and when? Many of my students and clients enjoy setting aside time each day to take their journals to a special place where they will not be disturbed. Others light a candle and take a few deep breaths before beginning. Some enjoy journaling while sipping their morning coffee. Still others journal before getting out of bed in the morning.

Sweet One, in the sacred practice of journaling, there is no right or wrong, only the call to authenticity resonating deep within your magnificent heart!

This is *your time* and this journal is *your very own place* to dance with your soul in this season's energy! I like to think of your CANCER SEASON GUIDED JOURNAL as a gift you are giving to yourself! Take your time and savor each moment you spend on your day's entry!

May these prompts be a gentle guide inviting you to embrace your emotions, intuition and nurturing spirit as you continue your journey of delicious self-discovery, exploration, alignment and integration.

Sending you so much love and abundant angel moon alchemy manifesting blessings for a magical Gemini Season! Get ready! Here come your blessings! CATCH!!
